

## FENCING TOOLS

อุปกรณ์ติดตั้งสำหรับรั้วไฟฟ้า

	<p><b>TL-CRE</b> Professional Crimping Tool</p> <ul style="list-style-type: none"> <li>Durable ferrule crimping tool</li> </ul>
	<p><b>TL-RAT1/2</b> Half Inch Ratchet</p> <ul style="list-style-type: none"> <li>For the Hybrid BB heavy duty tensioner</li> </ul>

## ENERGIZER ENCLOSURES

ตู้เก็บเครื่องกำเนิดพลังงาน

	<p><b>ENC-SB/WIZ</b> Metal Enclosure</p> <ul style="list-style-type: none"> <li>Powder coated metal enclosure with an inspection window</li> <li>Available in two sizes: <ul style="list-style-type: none"> <li>(h) 56cm x (w) 31cm x (d) 20cm</li> </ul> </li> </ul>
	<p><b>ENC-SB/STEAL TH</b> Metal Enclosure</p> <ul style="list-style-type: none"> <li>Powder coated metal enclosure with an inspection window</li> <li>Available in two sizes: <ul style="list-style-type: none"> <li>(h) 61cm x (w) 46cm x (d) 20cm</li> </ul> </li> </ul>
	<p><b>ENC-RL6D-P</b> Fibreglass Enclosure</p> <ul style="list-style-type: none"> <li>Weather proof plastic</li> <li>For coastal applications with a stainless steel latch</li> <li>(h) 45cm x (w) 30cm x (d) 8cm</li> </ul>

P1/4

## EARTH SOIKES

แท่งกราวด์สำหรับฝังลงดิน

### EA-EAN

- Copper earth spike with nuts and washer

## CUT OUT SWITCH

คัตเอาท์ตัดต่อกระแสไฟฟ้า

### EA-COS

- Isolates a section of fence to allow for easy maintenance and fault finding

## WARNING DEVICES

อุปกรณ์แจ้งเตือน

### EA-WRS2/N

Warning Signs

- Available in Nemtek branded or unbranded
- Custom-made version available to order
- UV protected for long life
- Wire clips on the warning sign reduce installation time
- Custom-made version available
- Compliance requirements, every 10 m and change of direction
- IEC 60335-2-76 compliance

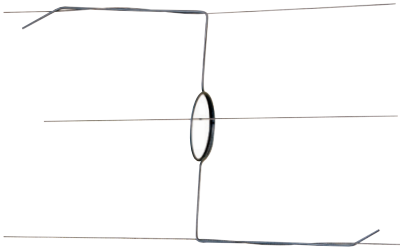

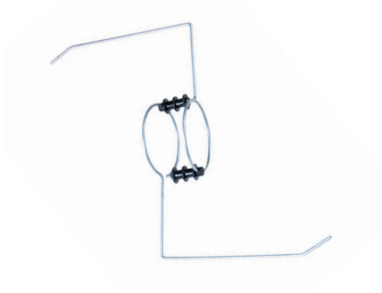

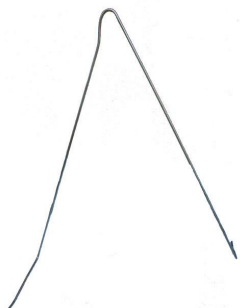

### SR-FL/HVL4

Warning Signs

- Install it on your electric fence to indicate power status for peace of mind
- One directional viewing angle, allowing the light to shine into the secure area only. The status is not visible to external areas
- Working voltage between 3 kV and 12 kV approximately
- Dual stage design allows the intensity on the light to increase as the voltage on the fence increases, giving a better indication of how much voltage is on the fence
- Can be installed between any earth and live wires
- Can be used with most electric fence energisers

## EARTH LOOPS AND BRIDGING WIRES

อุปกรณ์ Loop สายกราวด์ลวดไฟฟ้า และเชื่อมต่อ

	<p><b>EY-1LOOP/SS</b> In Line Loop</p> <ul style="list-style-type: none"> <li>Installed onto the fence wire, generally between the earth wires</li> <li>Available in galvanised for the galvanised wires and in stainless steel for the stainless steel wires</li> </ul>
	<p><b>EA-1LOOP/EL</b> Earth Live Loop</p> <ul style="list-style-type: none"> <li>Installed onto the fence wire, generally on the live wires</li> <li>Available in galvanised finish</li> </ul>
	<p><b>EA-WML/S</b> Wall Mounted Earth Loops</p> <ul style="list-style-type: none"> <li>Installed onto the wall protecting the bottom wires on a wall top fence</li> <li>They offer protection against lifting of the fence wires</li> <li>Available in stainless steel, angled or straight to marry up to the type of Nemtek bracket used</li> </ul>
	<p><b>EY-OS225</b> Wall Mounted Earth Loops</p>
	<p><b>EY-OS450</b> Wall Mounted Earth Loops</p>

## GATE CONTACTS

### ● GATE CONTACTS

HEAVY DUTY SLIDING GATE CONTACT WITH AN OPTIONAL GALVANISED STEEL MOUNTING BRACKET

- Used for series wiring of the gate
- Suitable for any sliding gate
- Robust construction using stainless steel and brass, making it suitable for outdoor use in most climates
- Large location plates allow for increased tolerance

## BATTERY

### ● PE7-12R

Battery

- Power : 12V 7.2 Ah
- Cycle use : 14.6 -15.6V.
- Standby use : 13.6 -13.8V.
- Initial Current : less than 2.6 amperes
- Dimension : 6 x 15 x 9 CM

## SIREN

### ● SPW-220

Indoor siren with optical and acoustical signaling

- acoustical signaling: piezo transducer
- optical signaling: ultra bright LEDs
- tamper protection against opening and removing from mounting surface
