

## EE-M2ZKP

Keypad For MERLIN

## MERLIN

- Dual zones, both in High voltage and Earth wire monitoring
- Synchronised zones to conform to the IEC 60335-2-76 output characteristics
- Smart design allows the maximum amount of energy to be transferred to the zone that needs it, yet the combined energy of the two zones will not exceed the legal maximum permitted
- Ideal product for networking and large fence system requirements
- RS 232 output, which can be used to connect two dual zone energizers to create a four zone system
- High voltage monitor will sound alarm when the live wires are tampered with
- Earth wire monitor will sound alarm when there is tampering with the earth wires
- Easy to use tag switch for controlling the unit with a keypad being optional
- Connectable to armed response

## EE-DR-LCD/KP

Keypad For DRUID 15LCD

## DRUID 15 LCD

- LCD display shows information which is quick and easy to read
  - The background colours on the LCD display, give a quick glance indication of the energizer status without the user having to approach the unit in order to read the display. For example, "green" indicates all is fine, "orange" indicates that attention is required and "red" indicates an alarm condition. The coloured lights are visible from a distance, and are quick to spot
  - The Druid LCD range can accept up to two keypads to remotely control the energizer. Quick walk test mode on the system offers the installer a quick test facility
  - to walk the fence and test it
  - High voltage monitor will sound alarm when the live wires are tampered with
  - Earth wire monitor will sound alarm when there is tampering with the earth wires
  - Easy to use tag switch for controlling the unit if the keypad option is not used
  - Connectable to an armed response radio
  - Gate monitor input monitors the position of the gate to indicate if the gate is open
  - Lightning and power surge suppression is built in to reduce the possibility of damage due to power surges
- Internal battery backup system in case of power failure  
Intelligent power saving to extend the battery life and save energy

## NEMTEK-KEYTAG

Keytag for Energizer all model

- 3.5CM(W) X CM(H)

The manufacturer reserves the right to change the specification and technical data of device.  
The picture may vary from the real product.
